UPPERVILLE

—1853—
COLT & HORSE SHOW
Established in 1853

THE OLDEST HORSE SHOW IN THE UNITED STATES

A FEW CHANGES FOR 2022- PLEASE READ!

Although we are monitoring changes in CDC and Virginia Department of Health regulations we are still encouraging public health protocols that help reduce the spread of COVID-19 and its variants.

Please read the following carefully so we can all work together to make Upperville safe and successful during the pandemic.

The ONLY entrance for exhibitors and vendors to the Salem (Jumper Side) showgrounds will be off of WILLISVILLE ROAD.

Willisville Rd intersects with John S Mosby Highway (US 50) on the east end of the show grounds.

- Anyone currently exhibiting COVID symptoms will NOT BE PERMITTED ON GROUNDS.
- Anyone who has tested positive, or has been in contact with someone who has tested positive for COVID in the 5 days prior to arriving at the grounds should NOT COME TO THE SHOW.
- Anyone who has tested positive, or has been in contact with someone who has tested positive for COVID more than 5 days prior to arriving at the grounds should NOT COME TO THE SHOW unless they have proof of a negative COVID test result dated within 5 days of the show, AND are symptom free.

Before entering the showgrounds, a USEF Waiver must be signed by every adult, and every minor must have a Waiver signed by a parent or guardian. To maintain traffic flow, we ask that each participant sign their waiver digitally in advance using the HorseShowsOnline service. You will be asked to verify that your waiver has been signed at the office when you check in.

SHOW OFFICE PROCEDURES

To prevent crowding or excessive wait times at the office, we encourage show office business be done online whenever possible.

Online add/scratch will be available from 10 am to 4 pm each day of the horse show.

Please remember to keep a distance of 6 feet and wait outside when the office staff are waiting on other people.

We ask that only trainers or an exhibitor or a representative of a barn come to the office area. **Social Distancing will be required at all times inside the offices.**

Please leave yourself plenty of time if you need to visit the office in person. There may be a delay due to restrictions to comply with social distancing.

All memberships with USEF, USHJA, amateur status, horse recordings and microchips should be current. **PLEASE** double-check your status prior to entering and arrival. If any are out of date, we ask that you renew online to reduce time spent in the office.

WHAT TO DO IF YOU OR YOUR CHILD FEELS SYMPTOMS OF COVID

- Anyone who becomes symptomatic of COVID infection while at the show grounds should have their symptoms reported immediately to Management or an Official. This can be done by reporting all relevant information and a contact number to a secretary in the show office, who can report it to the correct personnel.
- If the symptomatic person can drive him- or herself safely, or has a family member, friend or employee who can drive him/her, he/she should proceed directly to a local healthcare provider. Please make sure that any trip to a healthcare provider for COVID related signs or symptoms is reported to show management as soon as possible.
- If the symptomatic person cannot drive him- or herself safely, or does not have a person who can drive him/her to a local healthcare provider, he/she will be directed to a place that is socially distanced from others, and wait there for Medical Personnel to arrive and escort him/her to our specified quarantine area. From there, transport will be arranged to a local healthcare provider. If necessary, an ambulance will be called to transport the symptomatic person to the appropriate ER.
- Show management may ask a symptomatic person to wear an approved N95 mask while waiting for transportation. We will supply a mask if the person is not already wearing one. Please cooperate, as this will help with safety in case of COVID infection.
- **Please note that all people leaving the grounds under such circumstances will not be permitted back on the show grounds unless they are symptom-free and have proof of a dated, negative COVID test result taken after they have left the grounds with symptoms of illness, or left accompanying someone symptomatic.**
- Management should be notified ***as quickly as possible*** when someone requires medical attention for illness.
- Anyone who becomes infected with COVID within 5 days of leaving the show should contact management with the information immediately.

FACE MASKS, PPE, & DISTANCING

It is the trainer's responsibility to provide PPE to their own staff and to disinfect their own property (golf carts, hoses, tack, trunks, etc.) that other individuals might come into contact with at the show.

Handwash and/or sanitization stations will be available around the property. Individuals are encouraged to bring their own PPE and personal hand sanitizer for use when needed.

Communal touch-points such as bathroom doors, spigots, water coolers, etc. will be disinfected regularly throughout each day, however we encourage you to wear your own PPE equipment and sanitize frequently for additional protection.

If inclement weather occurs, people should shelter in their vehicles with family/household members, and not crowd under a tent or in stalls.

Management reserves the right to limit the number of horses and people in the warm up rings. Rule of thumb is 5 horses at a time per competition ring warm up area, maximum.

Courses will be posted online the night before each show day to help reduce crowding at the ingates.

When course walking is allowed, it will be monitored and require social distancing. Again, this helps to protect you and others.

Coolers with water will be available at the ingates with single use cups. However, all coolers will be communal. Please take precautions.

We will have exhibitor refreshment areas and food vendors onsite. We encourage you to use safety measures when eating with family and friends.

All the staff will be working hard to keep the show safe by utilizing these COVID protocols. As the pandemic is a fluid situation from day-to-day, management may implement increased or different protocols as they feel necessary. Please comply if one of the staff requests you to observe our rules.

CONFORMATION CLASSES, JOGS AND AWARDS

For any over-fences classes requiring a jog, the rider will trot a circle on a loose rein after completing the course in the view of the judge. Riders may be asked to jog more than one circle.

Any model or conformation classes will require the handlers to comply with social distancing when standing for conformation judging.

Champion & Reserve Champion, the top three placing horses/ponies in O/F Hunter classes, and special awards will be pinned in the competition arenas. Other class ribbons will be collected individually from a central location. Please ask the ring starters or Ringmaster for your ribbons.

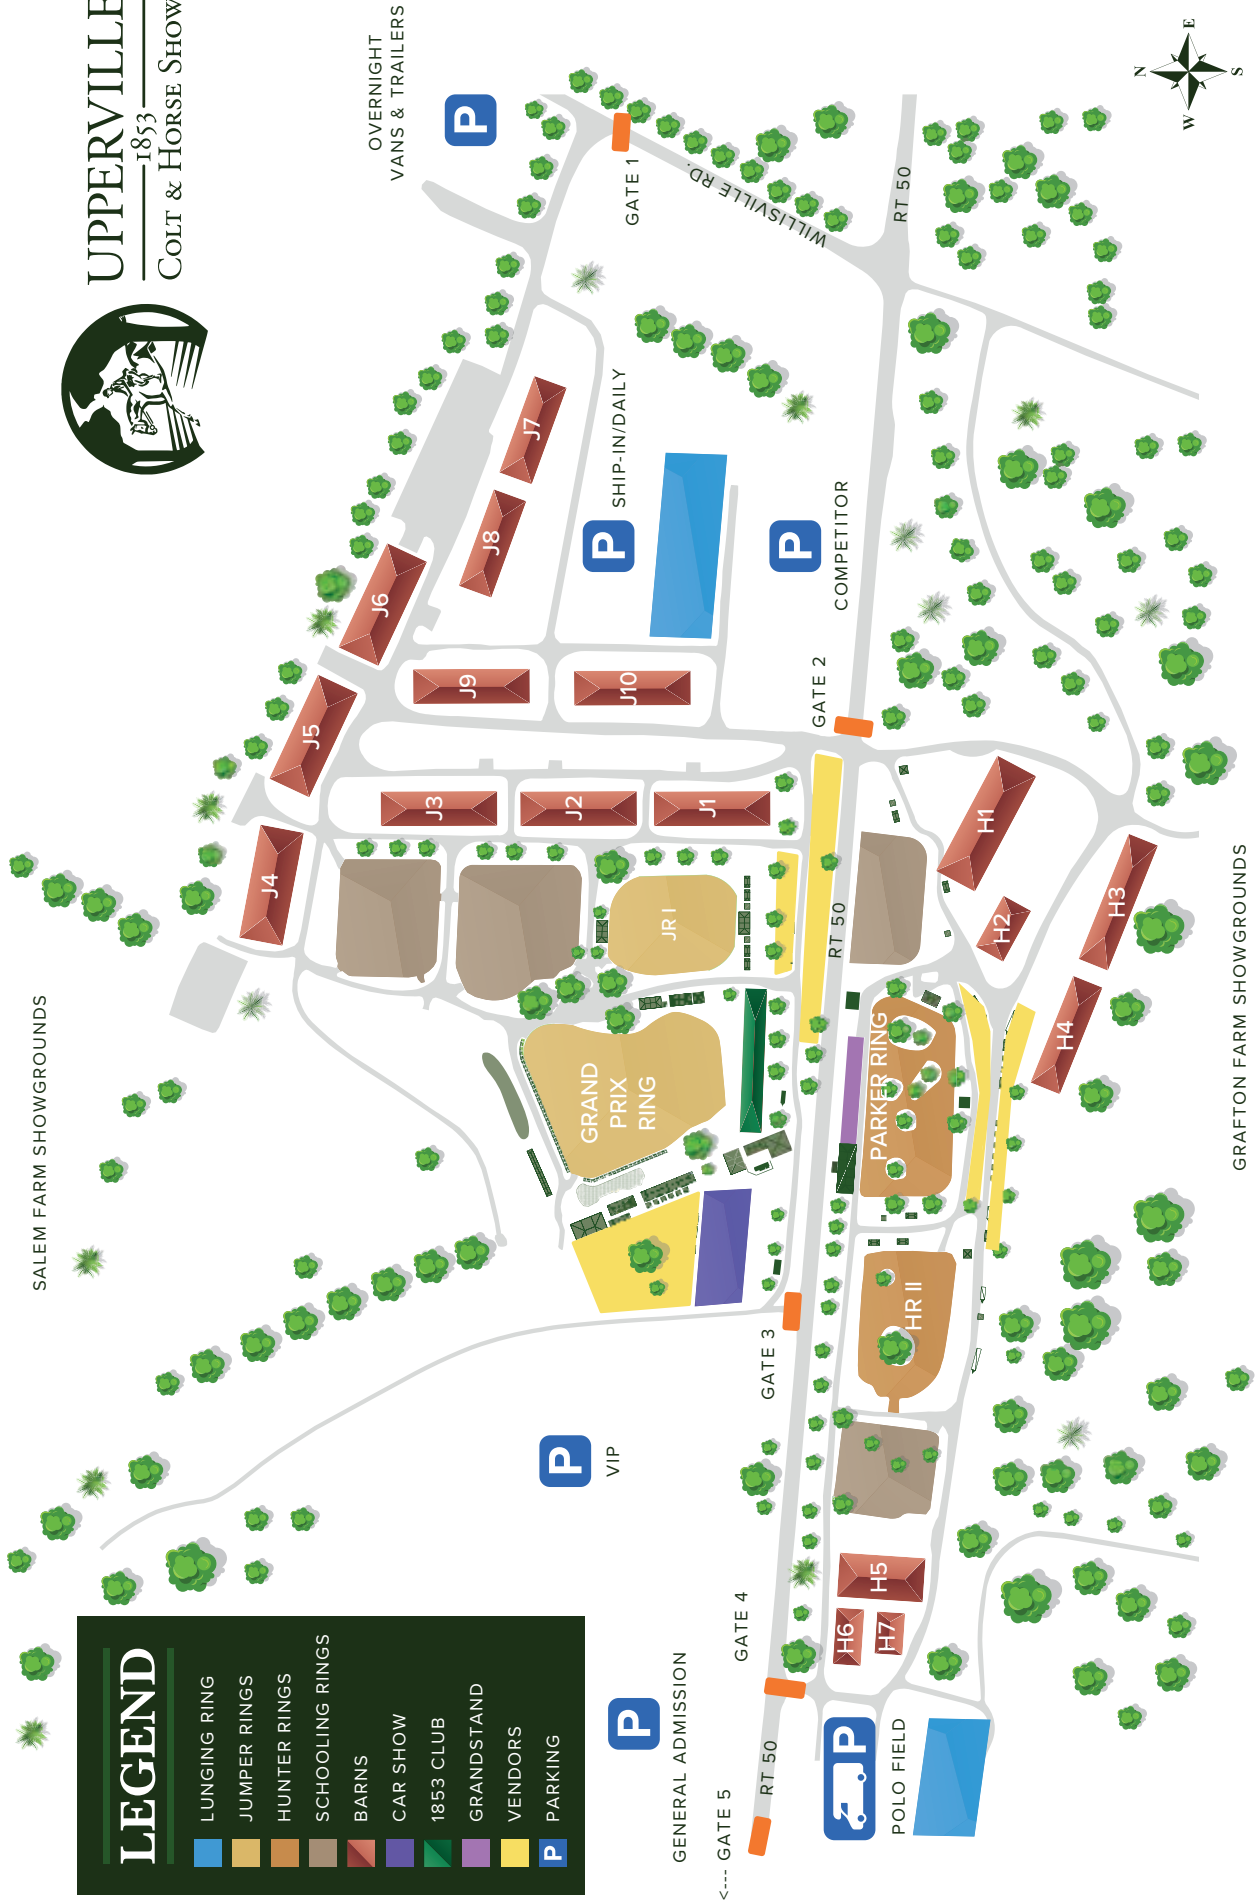

TRAINERS AND PARENTS SHOULD MAKE SURE THEIR CHILDREN/JUNIORS AND CLIENTS HAVE READ AND UNDERSTAND THESE PROTOCOLS. EACH "BARN" SHOULD DEVELOP A PLAN TO FOLLOW IN CASE AN EXHIBITOR OR ESSENTIAL PERSON BECOMES SYMPTOMATIC WHILE ON GROUNDS. THIS INCLUDES EXHIBITORS WHO MAY BE PARTICIPATING SOLO, SHIP-INS, AND MINORS WHO DO NOT HAVE A PARENT OR GUARDIAN IN ATTENDANCE.

We're All In This Together. Please Help Protect Yourself & Others.

THANK YOU FOR MAKING COVID UNWELCOME AT UPPERVILLE COLT & HORSE SHOW!

JUMPER DIVISIONS (USEF Jumper Rating 6)

All horses competing in Federation non-breed restricted licensed competitions with jumper classes (except those activities enumerated in GR901.9, items 1-11) must be properly identified and must obtain a Registration Number from USHJA. A registration number for each horse must be entered on all entry forms for licensed competitions. The Federation maintains records of winnings in classes at licensed competitions. Jumpers must be recorded with the Federation in order to receive points towards any USEF or USHJA Zone or Horse of the Year awards. Any change of a recorded horse's name and/or ownership must be recorded with Federation in accordance with GR1105 and GR1107.

As of Dec. 1, 2017 the USEF will require a microchip for horses and ponies competing in classes that require a USHJA horse registration. JP100.3.X (HU101/JP100/EQ103)

To be eligible for any Jumper Class, horses must be nominated except where noted. The nominating fee of \$225 must be paid by the closing date of entries. Once a horse is nominated, it becomes entitled to compete in all jumper sections. The nomination fee need only be paid once. For those classes with no nomination fee, entries should be made before closing date.

Horses must declare for the competition of their choice **by 4:00 p.m. the day before the class is to be held** unless otherwise noted. No poling and/or offsets will be allowed at any time on the show grounds.

The Time Allowed will be based on a speed of 382 yards per minute. The time allowed may be adjusted accordingly. In the event of a tie, there will be a jump off for first place only. All other ties will be broken by the time and faults in the first round unless otherwise noted.

Entries in the Five, Six and Seven Year Old Jumper Divisions must be age verified by USEF.
