WHERE WE ARE IS A BIG PART OF WHO WE ARE

Upperville reaches a desirable audience that has a deep appreciation of sophisticated brands and products.

Social interaction is central to the on site experience — we take care with that fact — so while the marketing at the event is effective it's also nuanced...

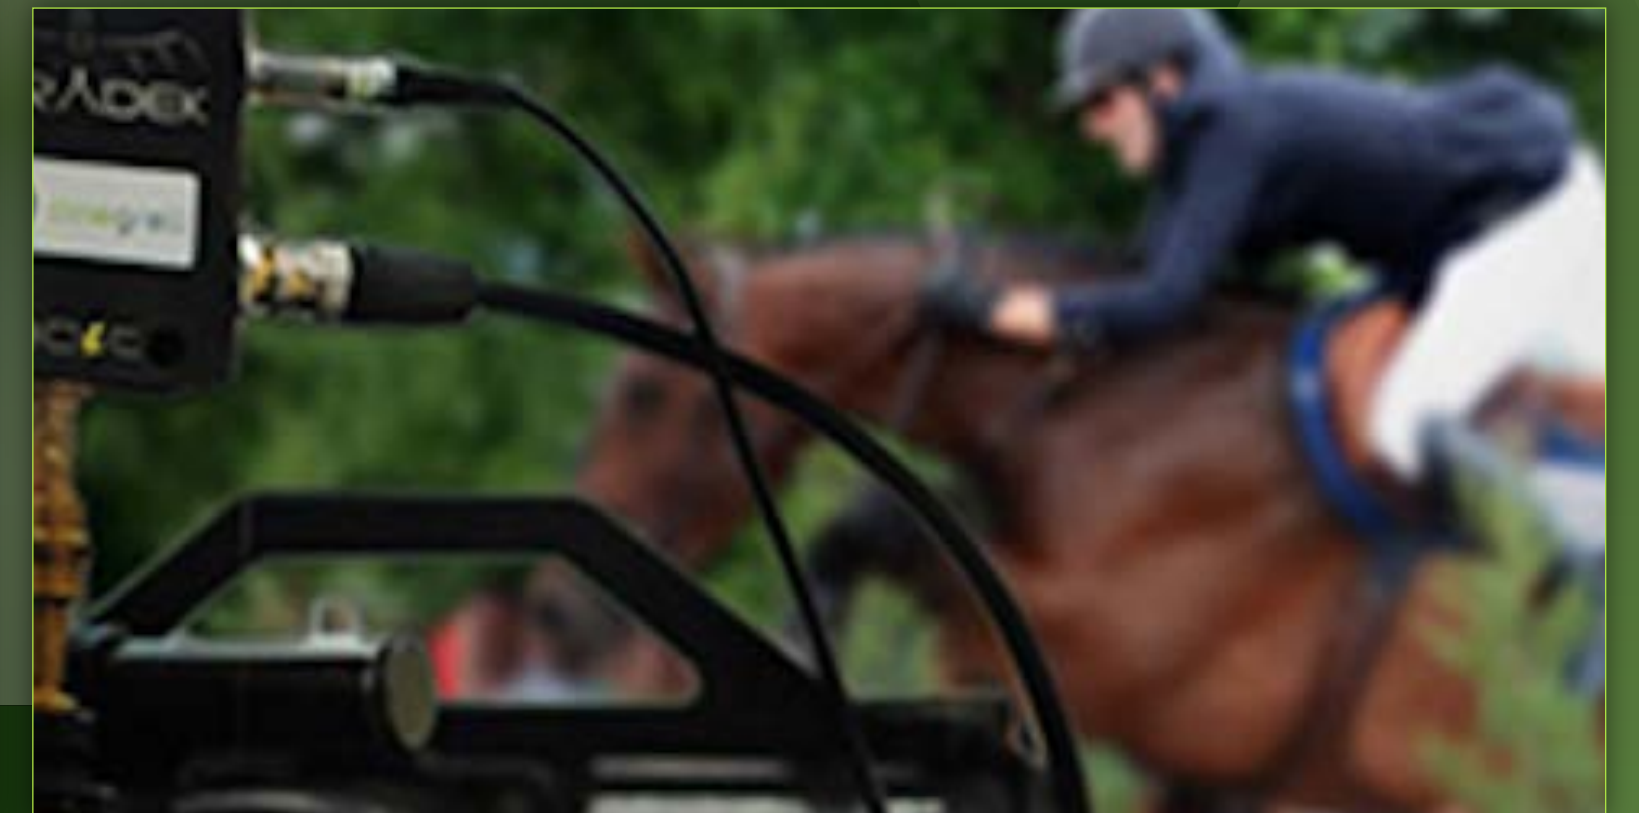

...Pointed at people's desire to explore, learn and interact — with each other and also with the right products and brands.

The experiences created onsite are also moved online, giving sponsors rich content for social media campaigns.

Upperville offers two historic settings on the show grounds, each with unique charms — Grafton Farm to the south of Route 50 and Salem Farm to the north.

Grafton has the Hunter Rings, nestled amidst century-old oak trees, creating a picturesque and tranquil atmosphere. Salem hosts the show's Jumpers with a state-of-the-art Grand Prix ring and a 576-seat full service VIP pavilion that overlooks the majestic Blue Ridge mountains and serves up a vibrant social scene.
